Instructions: Each Team Captain is to enter the names of the darters participating in match play that evening on this sheet. The Visiting Team Captain will announce who is playing without referring to the Home Team lineup. Arrangements between Team Captains may be made to accommodate late arriving darters.

Both Team Captains are responsible for checking the date, week, scores, player achievements and that monetary amounts are correct. Each team is also to complete the fees section as noted. If fees are not owed, then write in "Paid In Full thru the Session." Write-ups for Player Achievements are to be documented on the back. If there are no write-ups, then place an "X" through the entire section.
